PIET

Geometric shapes come together in this oval sideboard with rounded ends. Harkening to Mondrian's colorful squares and rectangles outlined in black, this piece uses Zinc-painted Asian hardwoods trimmed in Brushed Gold paint to create an abstract statement for any dining or living room. Three drawers are brushed in Zinc, trimmed in Brushed Gold Paint and finished with Brushed Gold metal pulls. Three slightly offset touch-latch doors follow the same colorways and materials. Further mixing the shapes on the piece, a slat of Orange Onyx stone divides the doors on the right. Each end opens outward – on the right, the drawer opens with the door. There are three adjustable shelves for inside storage. Bronze Gold rectangular see-through metal feet raise the piece dramatically off the floor. Due to the nature of the stone, color may vary from piece to piece.

SKU: CLA-424-211

DIMENSIONS: 77.0W x 20.0D x 35.0H (in)
